

# **CAMPBELTOWN HIDE & SEEK #1**

This is the first Hide and Seek event that I have written for Campbeltown. It is based in one of my favourite places that has brought me a lot of happiness and introduced me to a lot of people have done a lot of good for me and my family. This quiz is available for FREE to anyone who wants to use it. I wrote this for my own boys to have some fun and rather than it go to waste after that, I am giving this away. You don't need children to take part; just enjoy taking the time on this route, enjoy the fun of the hunt and maybe even take in on the fabulous local businesses. However you want to take in this challenge, I hope that you have the fun that it was intended to have.

## **Walks with Marty**

Marty is our dog. He is a rescue dog - a black Labrador, crossed with...well we don't actually know but people keep saying to him that he is a BIG DOG. Marty joined our family in February 2020 and has been a massive part in helping us to discover every nook and cranny of the places that we live and beyond. Our walks are mostly an hour (some a little bit more) as we discover. We hope that these events, walks and activities are something that you can enjoy. So, come along and Walk with us...Walk with Marty.

PS. Please take a look at Facebook and Instagram and have a look at Walks with Marty to follow pictures from our Walks as we scope out more places in and around the areas that we visit.

## **Helping Campbeltown**

Whilst I have given this challenge away for free and will do on all subsequent ones that I write, I have set up a GoFundMe page for voluntary donations. The money will be given to causes in Campbeltown who are supporting people in need. I believe that now more than ever that there are people who need the support and kindness of others, so I am ready to stand up for those people. The link to donate is [HERE](#) - don't worry, if you are not able to donate, that is ok too. Please, just go and enjoy.

## **Instructions**

Follow the walk from the instructions below. The walk is almost 3km and is almost all tarmac. This walk is suitable for push chairs and prams.

Please remember to not leave litter and to act responsibly on the walk as some of the clues are close to peoples houses (you don't need to go in any gardens, don't worry!) - all clues can be seen from public rights of way. Remember to pick up any rubbish and if you are taking your four legged friend, remember to bring poo bags!

Follow the route to find the clues. When you find a clue that relates to one of the people on your quiz sheet, cross them off. At the end of the quiz, you should be left with one person to give you the answer that you are looking for.

All you need is your quiz paper (you are reading it), and a pen / pencil to mark off as you solve the clues or you can open on your phone perhaps and use marker editing to cross off the people that you are looking for

Hope that you enjoy and HAVE FUN!

## **Notes**

Please remember that the route will be near the main road and some on smaller roads. Please always remember that cars and other vehicles will be on those roads, so do remember the highway code.

These activities will need to be taken at your own risk.

## **Tips**

1. If you miss a clue, try and retrace your steps to the previous clue before moving on
2. Try and read a couple of clues at a time to make sure that you are not missing anything. This will help keep you aware of what to look out for
